

Dear Parents,

I hope you are all well. Sam is away tonight so Gregg will be registering the players in. Matt and I have football commitments so unfortunately will not be around.

The Academy is starting to take shape nicely. The second week looking at new players showed that we have some good potential. The boys trained well last week.

The recruitment drive is still very much on. We would like to ask if you could bring any interested players along next week for a trial. Should they then wish to join in November, your fees will be £20 that month as a thank you for the new introduction.

We now have a specialist goalkeeping coach, please especially look out for any keepers that may be interested.

All under 8 and 9 players will be asked to attend the games next Monday evening (19th October) at Gable Hall school, Thurrock (Southend Road, Stanford-Le-Hope SS17 8JT). We will meet at the astro turf there at 6.30pm. Could all players please bring shin pads and trainers. Kit will be provided. The games are against Spurs development group.

Please could you email info@matt-lockwood-football-academy.co.uk to let us know if your son can/cant play.

Could all age groups please keep an eye on our website for half term games. These should be on by Friday. If not they will be confirmed next Wednesday.

The half term training will take place Wednesday 28th October, 3.15-4.45pm. If you would like your son to attend the soccer school taking place that week, please put in your form asap as places are booking out, the course includes a trip to Wembley. If you require a booking form these can be downloaded from The Academy website.

From November 5th training will be 5-6pm at King Edmunds school astro. Players can arrive from 4.45pm.

Thank you for your continued support, as ever if you have any questions please contact Kevin on 07768 581205.

Regards

Matt, Kevin and all the Academy Staff
