

Dear Parents

Another six weeks has come and gone and we hope that you have enjoyed the break. Matt Lockwood Football Academy is now entering into its 5<sup>th</sup> season and we hope that it will be as successful as last year.

Training will restart on Wednesday 7 September at Plumberow School, 4.45 – 6.00pm. We will train here until October half term, after this we will then train at King Edmund School for the winter period.

Training fees will be due on the 1<sup>st</sup> of each month and I will send out a reminder email a week before this is due. We have kept our fees the same price as last year which is £25.00 per first child per month and introduced a new fee, if a sibling joins then the monthly fee will be £40.00 for the two for the month.

The Academy has also introduced a new incentive for this training season, if you introduce a new player and they sign up with the Academy you will get your next month's fee for £12.50, so if you have anyone you think would like to train with the Academy bring them along for their two week free trial.

Our training team remains the same Kevin Beadell, Wayne Toovey, Gregg Dutton, Mike Wilson, Alex Warren and Dave our Goal Keeper trainer.

Once again we will be arranging matches against other Academies. If you would like your Sunday team to come along and have a game then please speak with Wayne.

Security of the children is the Academy's top priority and for insurance purposes we need to know if your child is at training, if you drop your child off at the gates then please text me to let me know they are at the training session, my mobile is 07803 596914.

To keep our records up to date can you please let me know if you have decided for your child not to train at the Academy for the 2011/2012 season.

We will always keep you up to date with developments of the Academy via our Website, texts and emails.

The Academy has a training kit, form attached, we would suggest that the players have the shirt, shorts and socks as when we play games against other teams it is great to have them looking the same. This is ordered through myself and payment is due once I have the kit. You can always purchase the kit at different stages.

Please feel free to speak with Wayne or any member of the team if you have any concerns whilst your child trains at the Academy, the Academy is run professionally and we like to see the children enjoy the sessions whilst, of course, learning new skills.

Once again from all the team at Matt Lockwood Academy we thank you for your commitment and continued support and look forward to a successful 2011/2012 season.
